Built on an automatic transmission ute, this compact motorhome ensures effortless maneuverability as you venture through picturesque landscapes. A permanent double bed in the overhead section beckons you to unwind on a luxurious Sleep Maker mattress, offering the utmost comfort for a restful night's sleep. Each side of the bed features separate lighting and a convenient USB plugin for your devices, allowing you to recharge while you rejuvenate. Storage is never an issue with ample space both inside and outside the motorhome. Bring along all your essentials and embark on extended journeys without a worry.

Relish in the full dinette seating area by simply pulling out the table, where you can relax, dine, and enjoy entertainment on the 48 cm (19 inch) HD flat-screen TV/DVD/CD. The TV's clever positioning allows you to watch your favorite shows from the comfort of your bed as well, creating a versatile and cozy space for leisure. For convenience, the motorhome comes with full shower and toilet facilities
